Allowable Subject Matter

1. Claims 1-21 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Prior art of record fails to disclose or fairly suggest, alone or in combination, a luminaire system configured to generate white light with a desired correlated colour temperature, the luminaire system comprising (i) one or more white light-emitting elements configured to generate a first white light having a particular correlated colour temperature and particularly including " wherein the one or more first colour light-emitting elements and the one or more second colour light-emitting elements are arranged in relationship with the one or more white light- emitting elements to provide the second white light having the desired correlated colour temperature when the light generated by the light module, including the first white light having the particular colour correlated temperature is extracted and mixed ", in combination with the remaining claimed limitations as recited in claim 1 (claims 2-8 and 20-21 are allowed, since they are dependent on claim 1).

Prior art of record fails to disclose or fairly suggest, alone or in combination, a method for generating mixed white light, the method comprising: a first white light independent of each of the first coloured light and the second coloured light; and particularly including "arranging the one or more first colour light-emitting elements and the one or more second colour light-emitting elements in relationship with the one or more white light-emitting elements to generate the mixed white light having the desired correlated colour temperature when the first coloured light, the second coloured light, and the first white light are mixed", in combination with the remaining claimed limitations as recited in claim 9 (claims 10-19 are allowed, since they are dependent on claim 9).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
